

Conducting a Risk Assessment/Security Review for Police Facilities

Frank Simone, President MACSIM Solutions Inc.

Friday, June 21st, 2019 – 9:15 a.m. to 10:15 a.m.

Frank Simone is President of MACSIM Solutions Inc. (focused on Risk Assessments and Reviews) and Vice President for Stay Safe Instructional Programs Inc. (a highly regarded specialized training provider for security and healthcare). Frank retired as a Detective after 28 years with the Toronto Police Service, where most of his service was spent in the investigative branch. Frank has over 17 years of experience in the private sector involved in conducting facility Threat and Risk Assessments and Security Reviews including venues, hospitals, etc.

Frank has expertise in Incident Management Systems training and managing security requirements for numerous major special events including the Canadian National Exhibition, as well as international conferences in Mexico City, Vienna, Washington, Melbourne and Durban.

A certified Fire and Explosives investigator, Frank has considerable experience working with local and federal law enforcement as well as military authorities on an international level, from the RAF in United Kingdom to the Presidential Guard in Mexico to the US Secret Service.

Frank will speak on the following topics in his presentation:

- **Overview of Relevant Legislation (OHSA, CCC, etc.)**
- **Overview of Risk Assessment/Security Review**
- **Trends in Risk Assessments, etc.**
